both her female (mostly)

Surname

Motto: Spes melioris aevi

The hope of a better age

Irish surname derived from Ó Nualláin meaning descendant of Nuallán ← derived from Irish Nuallán meaning noble, famous.

Gaelic origin: as an ad's. Pertaining to Gaels, As a noun, refers to the group of languages spoken by the Gaels.

Goidelic language or Gaelic is a linguistic group of many branches of "Insular Celtic" languages which include - Irish (Gaeilge)

(sounds like garlic, a

"super" food that I love.)

2022 says differently perhaps.

- Manx (Gaelg or Gailck)

- Scottish Gaelic (Gàidhlig)

What your parents name you is an unconscious pos/neg. reflection on their wellbeing.

Diminutive suffix → A suffix that indicates smallness (extremely small) (affix that follows the element (word) by a semantic extension or

qualities of youth, affection, or contempt; For example

Book-let (tiny book)

Nualláin (tiny family)

A surname is a synonym of the word family name.
